

# General English

This General English course is aimed at all students from Elementary to Advanced level who wish to improve their language skills in General English covering every day topics and situations.

The Intensive General English programme focuses on developing the four communication skills: listening, speaking, reading and writing. This General English course also invites students to explore the British culture through the use of authentic material and learn related idiomatic expressions in various contexts.

## PROGRAMME CONTENT

The emphasis will be on improving confidence in speaking and listening in English in a range of everyday situations that the students face outside the classroom. Activities are practical and varied to ensure students have every opportunity to participate and improve their skills in the English language.

## VOCABULARY AND LANGUAGE

Topical vocabulary and language - Study of grammatical structures - Pronunciation and listening skills - Social skills - Cultural awareness - Reading and writing skills - Conversational English.

## PROGRAMME OBJECTIVES

Increase confidence and fluency in speaking English.

Improve accuracy to enable clear communication of ideas.

Develop understanding of grammar.

Interact in a multi-cultural environment .

Work on writing, reading and listening skills.

Focus on student's personal needs and objectives.

## WE OFFER THE ACADEMIC IELTS COURSE

Our IELTS course is suitable for students working at a minimum B2 level and aims to push your IELTS scores from level 5 - level 7.

Lesson will aim to develop your skills in each of the tested areas, including: Academic Reading, Academic Writing, Listening & Speaking.

Our resources help you to develop your English skills to level 7, revising your language skills and offering you lots of practice with activities designed in the style you will face in the exam.

Your teachers will be able to offer detailed advice on the techniques needed to succeed in each part of the exam. You will also be given regular homework to encourage you to continue your language development outside of school time.

Lessons are designed to both develop your skills and give you practice of each section of the exam. Each course is separated into five modules. You will have a tutorial meeting with your teacher after each module, who will tell you what you are doing well and give you advice on how to improve.

**TOTAL TEST TIME: 2 HRS, 45 MIN.**

## International Examinations

## Cambridge International School

### CAMBRIDGE FIRST CERTIFICATE

Prepare for the Cambridge First Certificate exam in Manchester.

This course is for people wishing to prepare for the Cambridge First Certificate (FCE) in English ESOL exam.

You will develop the main skills required for the exam: speaking, writing, reading, listening as well as grammar. Our FCE teachers are qualified and have prepared many students for the exam.

This course may be a combination of exam preparation and General English classes.

### COURSE AIMS

- Practise mock exams.
- Practise exam techniques.
- Receive regular feedback on writing and speaking.
- Improve your English skills to the level you need to pass the FCE exam.

# ONE TO ONE COURSES

One-to-one intensive English courses are particularly suited to students who wish to improve their English language skills quickly, have very specific needs in terms of availability, specialist language requirements or simply do not feel comfortable learning in a group.

When taken in addition to group tuition, one-to-one tuition ensures you improve your English skills quickly. Individual English training focuses on the student's strengths and weaknesses and increases the overall level of confidence.

## **PROGRAMME OBJECTIVES**

- Increase confidence and fluency in speaking and listening in a range of every day situations both socially and at work.
- Develop understanding of grammar.
- Work on writing, reading and listening skills.
- Focus on student's personal needs and objectives.
- Broaden knowledge of specific areas e.g. engineering, legal, finance, medical, etc.
- Develop specific skills.

## **PROGRAMME CONTENT**

The emphasis is on improving confidence in speaking and listening in a range of everyday situations that the students face outside the classroom.

One-to-one courses are tailor-made to suit the learner's particular requirements and needs. The programmes are personalised, intensive and flexible. Activities are practical and varied to ensure the student has every opportunity to participate and improve his or her skills.

Flexibility is the keyword for Intensive One-to-One Courses. We recommend a minimum of 15 hours with no maximum. To maximise the benefits of an intensive individual programme, we also recommend that learners are accompanied by their tutors for lunch.

One-to-one tutorials in the evenings and over the weekends are also available. Many students choose to combine group tuition with one-to-one to get the most out of their stay with us. You may also choose to take your individual tuition with one or two other colleagues, making a 2-to-1 or 3-to-1 course.
